

Expect more.

When you buy your Sundström respirator from S.E.A. we don't just supply the goods.

You get a lot more than you see.

After all, there is more to breathing protection than just a product.

S.E.A. delivers the respiratory protection system you have a right to expect.

What you see...

...and what you get:

System thinking

Our products fit in with each other. Our support fits in with our products.

Training material

Available in print, on CD, on video, and from our web site.

Chemical database

Safety information on thousands of hazardous substances.

Professional advice

Our team is always there to support, consult and provide technical advice.

Superior products

Sundström are known for never compromising on protection performance.

Accessories

Hoods, head bands, visor film, compressed air attachments and more.

Communication

Electronic voice communication is also available for Sundström respirators.
