

safety ('seifti) *n. pl.* -ties. 1. the quality of being safe. 2. freedom from danger or risk of injury.

# We know the meaning of safety.

We also know that safety means a lot to you.

That's why we designed SE400i, the new force in industrial breathing protection.

Whatever your job, whatever the hazards, check out the SE400i now.

You have never been safer. You have never breathed easier.
