

# 20% leakage. Would you rely on **THIS?**

**Did you know that  
the half mask  
respirator you're  
wearing may let  
through 20% of  
hazardous air?**

**And still carry the  
Australian  
Standards Mark?**

Sundström  
SR100 is the  
most effective  
respirator you  
can get on the  
market. Why  
play around  
with toys when  
you can have  
the real thing?

The  
**S.E.A.**  
Group
