

**Mobility
without
the weight**

**Take your air with
you and forget about
carrying heavy cylinders
on your back.**

SpiroCART 

SpiroCART

Hook up the cylinders, connect your airline, and you're set.

Use a wall-mounted manifold to connect to 'G'-size cylinders

A practical hand-held cradle is also available.

The optional hose reel features a fold-away handle and holds up to 25 metres of 9.5 mm hose.

The wheels are strong, solid and smooth-rolling for optimum mobility.

The cart adjusts itself to the cylinder size, and lets you replace empties as you go.

SpiroCART: it couldn't be easier!
